TOWN WARRANT THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Pittsfield, in the County of Merrimack in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the TOWN HALL in said PITTSFIELD on Tuesday, the TENTH day of MARCH 1981 at TEN of the clock in the forenoon and at the GREENLEAF AUDITORIUM at EIGHT of the clock in the evening to act upon the following subjects:

ARTICLE #1 To choose all necessary Town Officers for the year ensuing. (Polls shall open at 10:00 A.M. and not to close before 6:00 P.M.)

ARTICLE #2 To vote to see if the Town is in favor of having the office of Town Clerk combined with the office of Tax Collector, thereby creating the new office of Town Clerk - Tax Collector to be held by one individual. Such office shall have a term of three (3) years. (BY PETITION) (RECOMMENDED BY THE BUDGET COMMITTEE) (Voted by ballot during polling hours as in ARTICLE #1).

ARTICLE #3 To see if the Town is in favor of the adoption of the Zoning Ordinance as proposed by the Planning Board. (Voted by ballot during the polling hours as in ARTICLE #1).

ARTICLE #4 To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or any other governmental unit or a private source which becomes available during the year in accordance with the provisions set forth in RSA-31:95-b. Such authorization to include the purchase of property with the aforementioned funds.

ARTICLE #5 To see if the Town will vote to accept when awarded, a \$300,000.00 Federal Grant from the U.S. Department of Housing and Urban Development - Small Cities Comprehensive Community Development Block Grant Program to fund the first year of the Pittsfield Center Comprehensive Neighborhood Improvement Program.

ARTICLE #6 To see if the Town will vote to authorize the Selectmen to sell, rent or lease any or all property acquired by Tax Collector's Deeds, or any other source, and to administer said property as they deem in the best interests of the Town.

ARTICLE #7 To see if the Town will vote to authorize the prepayment of property taxes and to authorize the Tax Collector to accept prepayments as provided by RSA 80:52-a.

ARTICLE #8 To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of 1981 taxes, the same to be repaid with that years levy.

ARTICLE #9 To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the use as set-offs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon:

Fire Station Heating System	\$ 5,500.00
Town Clock Striking Mechanism	500.00
Capital Reserve - Highway Equipment	10,000.00
Capital Reserve - Wastewater Equipment	5,000.00
(RECOMMENDED BY THE BUDGET COMMITTEE)	\$21,000.00

ARTICLE #10 To see if the Town will vote to authorize the establishment of the following Capital Reserve Funds contingent upon the approval of the use of Revenue Sharing Funds:

A. Highway Equipment	\$10,000.00
B. Wastewater Equipment	5,000.00

(RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE #11 To see if the Town will vote to authorize the establishment of a Capital Reserve Fund for the reconstruction and/or construction of the Bridge Street and Whites Pond/Rt. 107 Bridges in the amount of Twenty-Five Thousand Dollars (\$25,000.00). This Capital Reserve Fund will only be established in the event surplus funds from the construction of Webster's Mills Bridge are available.(RECOMMENDED BY BUDGET COMMITTEE)

ARTICLE #12 To see if the Town will vote to appropriate One Thousand Four Hundred Seventy-Two Dollars (\$1,472.00) for the support of the Center Barnstead Ambulance Service.(RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE #13 To see if the Town will vote to set the rate of compensation of the Tax Collector for the collection of real estate taxes at $\frac{1}{2}$ of one per cent (.005) of all real estate taxes collected to a maximum compensation of \$5,000.00 per year. (BY PETITION) (RECOMMENDED BY THE BUDGET COMMITTEE).

ARTICLE #14 To see if the Town will vote to authorize the Board of Selectmen to appoint a third full time officer to the Police Department. If action on the above is affirmative, to see if the Town will vote to

appropriate the sum of Ten Thousand Nine Hundred Ninety-Six Dollars and Fifty-two cents (\$10,996.52) for salary and fringe benefits. (BY PETITION) (NOT RECOMMENDED BY THE BUDGET COMMITTEE).

ARTICLE #15 To see if the Town will raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500.00) as a portion of the Town's expenses to celebrate Pittsfield's Bicentennial during 1982. RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE #16 To see if the Town will vote to raise and appropriate the sums of money recommended by the Budget Committee to defray Town expenses for the year ensuing or pass any motion related thereto.

ARTICLE #17 To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five percent and to limit the annual increase in spending by the state or any city, town, or other governmental unit of the state to five percent. (BY PETITION)

ARTICLE #18 To see if the Town will vote to accept the following Trust Funds for perpetual care for the following lots at Floral Park Cemetery:

Henry G. Clark by Lesima L. Clark	\$200.00
William Tasker lot by Estate of Margaret B. Tasker	300.00
Robert B. Knowlton lot by Robert B. Knowlton	200.00
Robert E. Perkins lot by Flora L. Perkins	300.00
Freeman R. Watson lot by Helen D. Watson	200.00
Ferdinand French lot by Constance F. Broughton	150.00
Clough-Seldon lot by Barbara E. Briggs	50.00

ARTICLE #19 To see if the Town will vote to amend the Pittsfield Housing Ordinance by adding the following paragraph under Section 1.8(5): "Any apartment or rooming complex that is subject to an annual inspection by another government agency which requires compliance with a set of standards closely approximating those in this Ordinance and which results in the issuance of a certificate of compliance will receive annual reinspections limited to a 10% sample of the total number of units in the complex, provided that a certificate of compliance accompanied by the applicable enforcement standards is presented to the Agency and the 10% sample yields no violations of those standards or the standards of this Ordinance".

ARTICLE #20 To transact any other business which may legally come before this meeting.

Given under our hand and seal the 18th day of February in the year of our Lord, Nineteen Hundred Eighty-One.

Steven A. Davis, Selectman

Saverio Buatti, Selectman

A True Copy of Warrant - Attest:

SELECTMEN'S REPORT

The year 1980 has proved to be very challenging for the Board of Selectmen. It has been very difficult to maintain the current demand for services with the ever increasing costs without overburdening the taxpayer.

One of the changes instituted was the combination of the part-time secretary and the part-time bookkeeper to a full-time Secretary/Bookkeeper. This move provides for more efficiency and continuity in the day-to-day affairs of the office. This move has already proven to be very beneficial. Barbara Raney, who has been our bookkeeper for a number of years, is now the full-time Secretary/Bookkeeper. Mark T. Fraser, of Barnstead, was hired at the beginning of July as the new Administrative Assitant. Mark was previously employed by the City of Concord as the Deputy Finance Director/Accountant for four years. These changes have considerably improved the handling of this offices daily business affairs.

This spring the Sewer User Charge will be re-evaluted because it appears there are certain inequities that should be resolved. Several new methods have been considered during the past year for assessing the User Charge. The formula must be tailored to the Town's individual criteria so that it will be fair to all the Sewer Users.

There have been operational problems at the Wastewater Plant which has required several weeks of repair work last summer. Constant modifications and adjustments are required to keep the plant operating at its maximum efficiency. Chris Hipkiss, the plant operator, has been able to keep astride the continuing maintenance and repair work. More major repair work will be done to the lagoon system this summer. This will be done by Chris in conjunction with the original design engineers. The work is estimated to take approximately two weeks.

Daroska Road was reconstructed with TRA and Additional Highway Subsidy funds. Construction work will be completed this summer (1981). When finished, the highway crew will move on to Siel Road as soon as all the Flowage and Enbankment Releases have been obtained from the property owners. The appropriation for this Special Assessment project has been encumbered from the 1980 Budget.

The State Highway Department has informed us that Websters Mills Bridge contracts will be advertised this April with the projected completion in the Spring of 1982. The Selectmen are hoping for completion in the fall of 1981. The funds appropriated for this project have been continually invested in CD notes. Pittsfield will pay one half at the start of the project and one half upon completion. The State now estimates that the cost to Pittsfield will be less than one half of the original estimate.

State and Federal Revenues are beginning to fall off as the result of the presently declining economy. This ultimately puts the burden on the local taxpayer. The Town is being faced with more requests for funds from the departments and outside agencies. It is becoming time to start thinking of making do with what we have or what we can afford. The Selectmen have made every effort to keep costs down and still present a reasonable budget that will provide adequate and efficient services.

As each year goes by the duties of the Selectmen and the Administrative Assitant are becoming more complex. The myriad of Federal and State regulations and paperwork are becoming very cumbersome. Every day traffic in the office increasing. This places more of a demand on the Town Hall facilities which were not originally designed for this demand. More and better office facilities are badly needed.

Remember, Pittsfield's birthday is coming in 1982. Work has already begun to make the Bicentennial Celebration a great one!

RECREATION COMMISSION REPORT

The Forrest B. Argue Memorial Swimming Pool had a wonderful season. Judy Simoneau and Maryellen Plante did a terrific job as Instructor and Sr. Life Guard.

Work done at the pool included repairing the concrete stairs and marking them with orange paint so they could be seen. Also repaired were the doors, the slide and the benches were painted. We also had new sand to fill the ruts.

We had a float in the Old Home Day Parade and won Honorable Mention. That made our third trophy in five years; thanks to everyone that participated. We ran sand castle contests every Friday and a swim-across for the American Red Cross for which we collected \$317.65. This year we hope to run one for the pool to raise money for Pool Day and other projects. The children make the pool a fun place.

Saint Stephens Church donated six family memberships to needy families, thank you Mr. King.

At the end of the year we held a barbecue for Pool Day. Food was donated by the parents and children. Races were held and trophies, ribbons, and tee shirts from the Red Cross were given out to the winners. A wonderful time was had by all. Miss Pool of 1981 is Lisa Maxfield and Mr. Pool is Daniel Fries.

For 1981 the Pool Committee is Lillian Simoneau, Edgar Simoneau, Doris Bedell and Theresa Drouin Riel.

Thanks to all,
Ed & Lil Simoneau

PITTSFIELD FIRE DEPARTMENT REPORT

During 1980 the Pittsfield Fire Department responded to a total of 196 alarms. Calls for medical aid numbered 125.

This year saw the delivery of the new fire truck, a 1250 gallon pumper. The funding for this truck was made possible through the donations of local businessmen and concerned individuals. We are very grateful to these people and are pleased to have such a fine piece of fire apparatus to work with.

The radio in the new truck was purchased with funds received through memorial donations in the name of firefighter Clifton Barton, who passed away this year, and with donations given previously in memory of former Chief Clarence Robie and Deputy Chief Edward Genest.

Memorial donations were also received this year in the name of Edgar Riel. As of this writing these monies have not been used. We have discussed erecting a memorial stone and flagpole at the Fire Station to commemorate all deceased firefighters.

Fire Schools sponsored by the Lakes Region Mutual Aid and the N.H. Fire Chiefs Association were attended by firefighters and rescue personnel. Numerous other training sessions were held during the year and members are now taking classes in Firefighter Certification.

We feel our department has had a most productive year. Two successful raffles were again held this year with the proceeds going toward the purchase of necessary equipment. The Fire Station received a new coat of paint and the apparatus room doors were insulated to help save on energy. A very successful supper was held during the summer as well as our Annual Spring Ball and Fall Dance.

In closing I would like to take this opportunity to thank all the firefighters for my Christmas gift of a new fire coat. I am deeply appreciative.

Please do your part in helping to keep our town fire safe.

To report a Fire or Medical Emergency, call 225-3355.

Respectfully Submitted,
Frederick T. Hast, Chief

FIRE DEPARTMENT EQUIPMENT

- 1 - 1250 Gallon Pumper (1980)
- 1 - 750 Gallon Pumper (1964)
- 1 - 1200 Gallon Tank Truck (1968)
- 1 - Forest Fire Truck (1949)
- 1 - 100 Ft. Aerial Ladder (1948)
- 1 - Rescue Truck (1969)
- 1 - 4x4 Forestry Truck (1954)
- 1 - 14 Ft. Rescue Boat w/Trailer
- 1 - Rescue Sled
- 8 - Scott Air Packs
- 1 - Resuscitator
- 1 - 1000 Watt Lighting System
- 1 - Smoke Ejector
- 1 - Rescue Saw
- 1 - Fold-A-Tank
- 1 - Hose Washer
- 1 - Hose Drying Hoist and Rack

POLICE DEPARTMENT

There were 6,464 telephone calls to the Dispatch Center resulting in 2,311 incident reports being filed. Officers responded as follows:

Assault	23	Bad Checks	5
Burglary	16	Cruelty to Animals	1
Criminal Mischief	9	False Imprisonment	1
Criminal Threatening	4	Hindering Arrest	1
Criminal Trespass	10	Larceny of Property	41
Disorderly Conduct	25	Reckless Operation	9
Drinking in Public	2	Resisting Arrest	20
Drug Offenses	6	Sexual Assault	1
Drunk Driving	6	Shoplifting	2
Domestic Disturbance	91	Suicide	2
Juvenile Complaint	81	Suspicious Person/Vehicle	105
Missing-Runaway	32	Snowmobile/Trailbike Complaint	17
Neighborhood Disturbance	66	Assist Motorist	26
Noise Complaint	68	Assist Other Department	36
Pervert Complaint	3	Dog/Other Animal Complaint	176
Open Door/Window	7	Alarm Checks	58
Attempted Suicide	5	Drug Alcohol Related Cases	40

There were 5 vehicles stolen and 5 recovered; 97 vehicle warnings for DE/Operation; 19 parking warnings and 8 parking summons issued.

Of 55 accidents reported, 42 were in the compact area and 13 in the outlying areas. Increase in family related problems is due to social and economic problems. Citizen response increased the suspicious person/vehicle/ and juvenile complaints.

The existance of crime is a daily reality. Seemingly insignificant offenses cannot be ignored. The petty thief graduates from stealing candy bars to breaking into cars to burglary. The drunk becomes angered and unpredictable and beats his wife; or he finds the keys to the car and becomes a killer on the highways. The non-violent burglar is interrupted during his crime, and shoots his victim to escape.

Statistics present the problem in only one of its dimensions. Crime figures do not impress people nearly so much as what they read in the newspapers; what they see and hear; what their friends and associates experience; and, most vividly, what they themselves experience.

Finding a solution for the crime problem should be of equal importance to the townspeople. They must decide on their attitudes towards crime, on what measures will combat it, and on the amount of resources they are willing to allocate to alleviate it. The most efficiently administered police department will falter unless the community genuinely supports it.

The police department is guided by the law, collective police experience, the needs of the community and the availability of resources. The department should be placed into perspective with all other services provided by the Town and considered for valid objectives and priorities for delivery of all required and desired services.

James F. Blake
Chief of Police

CARPENTER MEMORIAL LIBRARY
ANNUAL REPORT 1980

In January, the Library sponsored a well-attended program on Woodstove Safety. Fire Chief Fred Hast showed films and Gilbert Paige and Randy Genest were on hand to answer questions.

Susan Starkey helped with a major overhauling and weeding of the young people's books and both the fiction and non-fiction have now been re-shelved more advantageously.

The outdoor Book Bank sadly collapsed after 10 years exposure to wind and weather and was replaced by a sturdy Book Drop set into the front door, which has proven to be most satisfactory.

A generous donation from the friends of Steven Towle made a selection of books on hunting and the outdoors possible, and a variety of books on music and drama were purchased with the gift from the Dr. Conrad Memorial Fund.

Various exhibits were seen and enjoyed - notable shadow-boxes from the second-grade, photographs in conjunction with the town's application to have the central section designated a National Historic Site, and two separate Shaker displays.

There were monthly film programs for third and fourth graders and a series of Paperback Picnics was initiated in the summer. With the kind co-operation of the Pittsfield Area Arts Council the final picnic featured Michael and Mary Ann Wearing and their music.

We would like to offer these reminders: copying service is available during Library hours, the Librarian is willing to give Book Talks and films are available (from the N.H. State Library) for organizations, if ordered well in advance.

"Reading is a basic tool in the living of a good life."
Mortimer Adler

COMMUNITY DEVELOPMENT REPORT

During the first full year of its operation the Pittsfield Community Development Program successfully implemented a Federally funded housing improvement program, achieved recognition of the unique character of the Town center through placement on the National Register of Historic Places and received preliminary approval of a three-year Federally funded downtown improvement program.

Housing Improvement - In September 1979 the Town was awarded a Small Cities Community Development Block Grant of \$320,663 to improve the condition of housing in Pittsfield Center and the outlying areas. To date, assistance in making needed repairs and improvements has been provided to 20 low-income homeowners and 48 apartment owners who rent to low-income tenants. Many projects are still underway with some items, like painting, waiting until Spring to complete. By the time the Program has concluded approximately \$575,000 will have been added to the area economy through the purchase of materials and services.

Historic Recognition - With the assistance of a Foundation, the Rotary Club and local businesses, Pittsfield Center became listed on the National Register of Historic Places in recognition of its outstanding 19th Century architecture and intact industrial village setting. Powerful Federal tax incentives that accompany this status are anticipated to assist in the reuse and improvement of key structures in the district. A brochure describing features of the district is being planned.

Downtown Improvement - On January 3, 1981 the Town received notification that its pre-application for a \$1,106,000 three-year Small Cities Community Development Block Grant was approved. The downtown improvement program will rebuild sidewalks, resurface streets, establish off-street parking, improve recreation areas, establish a day care center and provide properly sized housing for large families presently residing in Pittsfield. Actual award of the funds requires an annual application submission and is dependent on continuing appropriations from Congress. The Program is anticipated to be complete by September, 1984.

The success that has been enjoyed thus far is the direct result of the involvement of the community in the housing improvement program at numerous public hearings. Particular recognition goes to the members of the Community Development Committee who, through two years of regular meetings, developed and supervised the Program; they are George Freese, Patricia Freeman, Gilbert Paige, Willis Pethic, Marilyn Riel, John Teague, Arnold Wells and Edward Young.

Respectfully submitted,

Kenneth L. Anderson
Community Development Director

HOUSING STANDARDS AGENCY REPORT

Shortly after the adoption of the amendments to the 1964 Housing Ordinance at the last Town Meeting, the Housing Standards Agency met and began planning a schedule to carry out the provisions of the Ordinance. The first order of business was finding a person for the job of Housing Inspector who had the time, ability and interest that the job demanded. This proved difficult and consumed the better part of the year. Finally last fall, Ronald Vien, a Pittsfield resident and volunteer firefighter, accepted the job and began the inspection program.

The Ordinance requires an annual inspection and issuance of an occupancy permit of all rental residential living quarters in Pittsfield, which total about 350 units. The inspections began in the downtown area and is being carried out geographically in blocks of about 50 buildings from these. To date 80 living units have been inspected and 80 conditional occupancy permits issued. As discussed at the Town Meeting, the initial inspection fee is \$15 per living unit, with subsequent year annual inspections costing \$10 per living unit. The purpose of the fee is to cover the cost of the inspection program and enforcement as required by the Ordinance.

Thus far the Ordinance is proving to be effective and no significant "debugging" of its provisions and standards appear necessary. However, once all the rented living units have been inspected a public hearing will be called to discuss the results and effectiveness of the Ordinance and recommend any amendments needed to improve it.

Respectfully submitted,
Frederick Hast, Chairman
Royce Elkins, Vice-Chairman
Mark Wallace, Secretary
John Freeman, Treasurer
John Barto

MINUTES OF THE ANNUAL TOWN MEETING
TOWN OF PITTSFIELD
MARCH 11, 1980

Moderator Leo Fraser called the meeting to order at 10:00 AM at the Town Hall.

ARTICLE #1 To choose all necessary Town Officers for the year ensuing. (Polls shall open at 10:00 AM and not to close before 6:00 PM.)

Roberta Maxfield made a motion to postpone the reading of the balance of the warrant until the evening meeting at 8:00 PM and Arnold Wells seconded. Vote affirmative.

Moderator inspected ballot boxes and announced absentee ballots would be counted as soon after as 3:00 PM as possible. Moderator announced the polls were officially open at 10:03 AM. The polls were closed by the Moderator at 6:00 PM with the results of the voting as follows: 490 ballots cast and counted.

SELECTMAN FOR THREE YEARS:	
Saverio (Sol) Buatti	397
SELECTMAN FOR TWO YEARS:	
Vernon J. Leduc	229
Alden L. Brown	119
George E. Erff	96
OVERSEER OF PUBLIC WELFARE:	48 (write in votes)
AUDITORS FOR ONE YEAR:	
Arnold Wells	37 (write in votes)
Louis Houle	36 (write in votes)
Gerald Gilman	33 (write in votes)
Robert Gates	21 (write in votes)
TRUSTEE OF TRUST FUNDS FOR THREE YEARS:	
George E. Holloway, Jr.	374
LIBRARY TRUSTEE FOR THREE YEARS:	
Sybil G. Pease	398
FIREWARD FOR THREE YEARS:	
Ronald A. Vien	266
Steven A. Davis	177
MODERATOR FOR TWO YEARS:	
Leo W. Fraser, Jr.	184 (write in votes)
SUPERVISOR OF THE CHECKLIST:	
Arnold L. Wells	180 (write in votes)

Moderator Leo Fraser called the meeting to order at 8:00 PM at the Greenleaf Auditorium with the Rev. Arthur Bucknam giving the invocation.

Moderator then announced the results of the Town and School elections which were held during the day.

Charles Morrill made a motion we dispense with the first reading of the warrant. Arnold Wells seconded. Voice vote was affirmative.

ARTICLE #2 To see if the Town will vote to continue the Pittsfield Community Development Program for Housing Improvement and to accept a \$320,663 Federal Grant from the U.S. Department of Housing Improvement and Urban Development - Small Cities Single Purpose Community Development Block Grant Program.

George Freese made a motion to accept the article as read. Article duly seconded. No discussion. Voice vote affirmative.

ARTICLE #3 To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the use as set-offs against budgeted appropriations for the following specific purposes and in the amounts indicated herewith or take any other action hereon:

<u>Appropriation:</u>	<u>Amount:</u>
Wastewater Constuction Interest	\$21,400.00
Highway Sander	5,000.00
Total	\$26,400.00

Steve Davis made a motion to accept the article as read and John Teague seconded. No discussion. Voice vote affirmative.

ARTICLE #4 To see if the Town will vote to compensate the Tax Collector at a salary not to exceed \$4,000. including all collections and fees. (By Petition)

Floyd Carson made a motion to amend the article as follows: "To see if the Town will vote to compensate the Tax Collector at a salary not to exceed \$4,000 including all collections and fees starting with the 1980 tax warrant". Vernon Leduc seconded.

Arnold Wells asked the Moderator to read the names on the original petition.

Discussion that followed seemed to indicate the Townspeople were concerned that the Tax Collector's salary was being cut during his elected term and also the fact that he was not informed of the proposed cut.

Steve Davis advised that when Henry Gray took over as Tax Collector he was being paid at the rate of .095 which had never been officially voted on. In 1963 an article was passed to compensate the Tax Collector at a rate of .075 and that was the last vote taken. When the Selectmen discovered this oversight they immediately advised Mr. Gray he would be compensated at the rate of .075.

Fred Hast, Chairman of the Budget Committee, explained that the petition was the result of increasing tax revenues brought about by our recent reassessment. The Tax Collector receives compensation figured on percentages of the collected taxes and the amount he receives is well above the amount received by collectors in similiar towns.

Patricia Lampman made a motion to second amend this article that the Tax Collector continue to collect his salary at the same percentage rate of .075 until his term expires next March and the new Tax Collector will then receive a salary of \$4,000. Motion duly seconded as amended.

After much discussion, Moderator called for a vote on the article as second amended. Voice vote affirmative.

Moderator then read Article #4 as first amended by Floyd Carson. Mr. Carson withdrew his amended motion - second also withdrew.

ARTICLE #5 To see if the Town will vote to raise and appropriate the sum of forty-five hundred dollars (\$4,500.00) for bringing Siel Road up to Town Road standards with Selectmen levying betterment assessments against abutting property owners to repay the Town as per N.H. RSA Chap. 234:23a-d (1979 N.H. Chap. 166). (By Petition)

Kenneth Garland made a motion to accept the article as read. Joseph Hassett seconded.

Vaughn Siel informed the Townspeople that they could save \$4,500.00 by not voting this article because he owns this road and he presently has filed an appeal for an abatement which probably won't be heard until July. Until such time as this appeal has been acted upon favorably, the deed will not be surrendered to the Town.

Floyd Carson advised that no work could be done until the deed was received, but that no one had been assessed any specific amount so how could they act on an abatement.

Joseph Hassett suggested strongly that the Townspeople appropriate \$4,500.00 this year, and if the road isn't constructed then the money won't be spent. If it is not voted at this meeting it will take another year before it can be voted on again. The taxpayers on Siel Road shouldn't have to wait another year for a vote. Voice vote affirmative.

ARTICLE #6 To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to reimburse Donald F. Golden for expenses incurred in a lawsuit while serving as Overseer of Public Welfare. (By Petition)

Floyd Carson made a motion to accept the article as read. Gordon Weldon seconded.

Larry Williams asked what the lawsuit was about.

Attorney Greenhalge said a federal judge ruled Mr. Golden failed to provide an applicant with the proper forms, to discuss eligibility requirements, and to provide a written notice of his decision and of the applicant's right of appeal. Atty. Greenhalge further stated that Mr. Golden was following established policies, and that these policies were made inadequate by federal court decisions rather than his own negligence. Voice vote affirmative.

ARTICLE #7 To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the state, federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b.

Elliott Towle made a motion to accept the article as read and it was duly seconded.

A question was raised as to whether this involved matching funds and Dave Mann responded in the negative. Voice vote affirmative.

ARTICLE #8 To see if the Town will vote to authorize the Selectmen to sell, rent or lease any or all property acquired by Tax Collector's Deeds, or any other source, and to administer said property as they deem in the best interests of the Town.

Gordon Weldon made a motion to accept the article as read. Roland Drolet seconded. Voice vote affirmative.

ARTICLE #9 To see if the Town will vote to authorize prepayment of property taxes and to authorize the tax collector to accept prepayments as provided by RSA 80:52-a.

Dr. Argue made a motion to accept the article as read and Arnold Wells seconded.

Elliott Towle asked if RSA 80:52-a made any provision for discounts on prepayment of taxes. Selectmen replied "No". Voice vote affirmative.

ARTICLE #10 To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of 1980 taxes, the same to be repaid with that year's levy.

Kenneth Garland made a motion to accept the article as read and it was duly seconded. Voice vote affirmative.

ARTICLE #11 To see if the Town will vote to provide Workmen's Compensation coverage for eligible employees by participating in the New Hampshire Association Self-funded Worker's Compensation Program and to authorize the Selectmen to take such action in furtherance of this vote as may be necessary.

Kenneth Garland made a motion to accept the article as read. Robert Lemer seconded.

Larry Williams asked for an explanation.

Dave Mann explained that it simply allows the Selectmen to participate in the Workmen's Compensation program if they so desire.

Robert Winchester asked if that potential expenditure appeared in the Budget.

Dave Mann answered that it appeared as part of the insurance budget. Voice vote affirmative.

ARTICLE #12 To see if the Town will vote to raise and appropriate the sums of money recommended by the Budget Committee to defray Town expenses for the year ensuing or pass any motion related hereto.

Steve Davis made a motion to pass over this article until we have taken action on Article #19. Robert Lemer seconded the motion to postpone this article. Voice vote affirmative.

ARTICLE #13 To see if the Town will vote to enact the 1980 Amendments to the 1964 Pittsfield Housing Ordinance as published in the Suncook Valley Sun on Feb. 20 and 27, 1980. These amendments change the makeup of the Housing Standards Agency to include two at-large resident members (1.2), add a provision that clearly establishes the authority to inspect rented dwelling units (1.5, 1.6), establishes a procedure to permit the correction of violations prior to entering formal legal proceedings (1.7(1)), establishes an annual permit requirement for rented dwelling units (1.8), established specific minimum standards for rented dwelling units (Section 11), defines words and terms used in the Ordinance (Section VI). Specifically, the 1964 Housing Ordinance is amended by replacing the present Section I and II with the 1980 Section I and II then adding the 1980 Section VI as a new section.

Robert Lemer made a motion to accept the article as read. George Freese seconded.

Kenneth Danis raised a question regarding the part of the article that reads "establishes an annual permit requirement for rented dwelling units". Are property owners going to have to pay a fee?

John Teague, a member of the planning committee to amend the 1964 Housing Ordinance, advised that the inspection costs would be approximately \$15.00 on an annual basis. It was the feeling of the committee that if a person wants to make a profit on a business his property should be kept up to minimum standards.

Kenneth Danis felt that all houses should be inspected and not just apartment buildings.

John Teague said this would not effect the good landlords. The landlords who buy investment properties and only collect the rent while the buildings are allowed to deteriorate will be the ones affected by this ordinance. Properties are becoming so dilapidated that they are not being taxed properly. The Town has a grant to upgrade the center of Town and there is ample money to bring all these properties up to minimum standards.

Elsie Morse also served on the Master Plan Committee and she said that the answers on the questionnaires that were circulated indicated the Townspeople were deeply concerned about the dilapidated buildings in the Town, and the overall effect they have on the appearance of our Town. Voice vote affirmative.

ARTICLE #14 To see if the Town will vote to discontinue and make subject to gates and bars the highway described as follows: Tibbetts Road - from the junction of Siel Road to the Range Road, as provided in RSA 238:2. The gates and bars shall be maintained by the Town of Pittsfield. (Tibbetts Road, St. Inv. 84, Range Road, St. Inv. 92 - to close approx. 900')

Kenneth Garland made a motion to accept the article as read and Vernon LeDuc seconded.

Vaughn Siel asked how long it had been since this road had been maintained and why at this particular time was it being closed?

Steve Davis said it hadn't been maintained for many years and it had just been overlooked. Should have been closed years ago when the Town closed other roads that were no longer in service. Voice vote affirmative.

ARTICLE #15 To see if the Town will vote to provide the Selectmen with the authority to grant a franchise for Cable Television in the Town of Pittsfield. NH RSA 53-C:1 (supp 1974)

Kenneth Garland made a motion to accept the article as read and it was duly seconded.

Chester Smith asked for an explanation of the franchise.

Mr. Knowlton, representative from Cable Television said there would be no cost to the Town. \$25.00 installation charge, \$9.00 per month and each additional outlet \$3.50 will be billed directly to each property owner involved. At the present time it will be only installed in the urban area of the Town. Johnson Road will be the construction site for the tower. Need minimum of 250 subscribers and they will guarantee signal within a year. They guarantee they won't increase the \$9.00 charge more than 77% in one year and all rate increases have to be approved by the Selectmen.

Kenneth Anderson made a motion to amend the original motion by adding "after holding a public meeting on the proposed franchise agreement". Said this would give the Town a chance to see the proposed agreement, comment on it and make suggestions. He also felt before we give one cable company a monopoly in the Town we should contact other companies.

Amended motion failed to receive a second so original motion was read again and voted on. Voice vote affirmative.

ARTICLE #16 To see if the Town will vote to designate the area immediately surrounding the Pittsfield Dam, located at the junction of Main Street, Concord Hill Road and Water Street, henceforth to be known as HAROLD CONRAD SQUARE. (By Petition)

Kenneth Garland made a motion that we accept the article as read and Gilbert Paige seconded. No discussion. Voice vote affirmative.

ARTICLE #17 To see if the Town will vote to accept the report of the Administrative Study Committee.

Harrison Thyng made a motion that we accept the article as read and Kenneth Garland seconded. No discussion. Voice vote affirmative.

ARTICLE #18 To see if the Town will vote to authorize the acceptance and maintenance as a public way a certain private way presently leading from Tilton Hill Road, so called, and more particularly shown on a Plan of Land of Volpe, Argue, Conrad & Gorlin, Pittsfield, N.H. dated July., 1974, October, 1975, and recorded in the Merrimack County Registry of Deeds as Plan No. 4170, to which plan reference may be had for a more particular layout of said private way; that the way, if accepted, be called Wildwood Drive. (By Petition)

Dr. Argue made a motion to accept the article as read and Richard Bolduc seconded.

Kenneth Garland asked where is it?

Dr. Argue said half way up Tilton Hill on the right. There are 30 approved lots and the road has been built to TRA standards.

Vernon Leduc - what is the footage and is there any money included in the budget for maintenance if this road is accepted?

Steve Davis said the Selectmen have checked this road and it is a good road having been built to TRA standards. There is no money in this budget for maintenance.

Gordon Weldon advised the road was 3,760 feet long.

Robert Winchester asked if the assessed value on properties on this road would be increased if the road was accepted.

Steve Davis said properties on this road were already assessed the same rate as properties on any town road.

Vernon LeDuc wanted to know if the Town would receive a deed for land on which this road is built and Dr. Argue answered in the affirmative. Voice vote carried.

ARTICLE #19 To see if the Town will indemnify any town officer or employee from personal financial loss and expense including legal fees from any claim, suit or judgement by an act resulting from negligence or accidental injury or property damage if indemnified person was acting in the scope of his office or employment at time of such action.

James Blake made a motion we accept the article as read and Sybil Jenisch seconded.

John Teague asked for a definition of Town Officers.

Steve Davis said he felt it covered anyone elected or appointed to any Town office. Attorney Greenhalge read RSA 41-2. Voice vote affirmative.

ARTICLE #12 To see if the Town will vote to raise and appropriate the sums of money recommended by the Budget Committee to defray Town expenses for the year ensuing or pass any motion related thereto.

Kenneth Garland made a motion we accept the article as read and James Blake seconded.

Fred Hast amended the motion to include the figure of \$3,500.00 which represents the additional amount voted for the Tax Collector, making the total budget figure to be voted \$585,575.00. John Teague seconded.

Robert Winchester asked why the Budget Committee cut out the ambulance appropriation.

Floyd Carson advised that the Budget Committee was notified that the Sanderson Trust Fund is going to take care of this account. Voice vote on amended motion affirmative.

ARTICLE #20 To see if the Town will accept the following Trust Funds: Perpetual care of the following lots at Floral Park Cemetery:

Ida & Clyde Wakefield lot by Ida & Clyde Wakefield	\$ 300.00
Richard R. Garland lot by Mrs. Mabel H. Garland	114.66
John C. Clark lot by Ernest L. Clark	240.00
Perkins lot by Edna M. Royden Estate	300.00
Charles & Myrtle Parker lot by Howard E. Hartford, Exec.	500.00
	<u>\$1,454.66</u>

Roland Drolet made a motion we accept the article as read and John Perkins seconded. No discussion. Voice vote affirmative.

ARTICLE #21 To transact any other business which may legally come before this meeting.

Fred Hast said that due to a misunderstanding between the Selectmen, Administrative Assistant, and the Fire Department, that an article to have two of the fire department's vehicles accepted did not appear in the warrant.

Fred Hast make a motion that the Town accept two vehicles, namely, 1948 American LaFrance Aerial Truck and a 1969 Dodge Rescue Vehicle. John Genest seconded.

Mr. Hast advised that the Fire Department purchased these vehicles with their own funds and they intend to maintain them with their funds. Town is presently paying insurance and we are asking that the Town continue to pay insurance along with gas and oil.

Gordon Weldon advised that this could not be accomplished under the article "any other business". Not legal to put such requests in this article - has to be warrant article.

Fred Hast answered that it was supposed to have been a warrant article, but there was some misunderstanding involved with the Selectmen.

Moderator asked Attorney John Teague if this was illegal.

Attorney Teague said he was not aware that it was illegal as long as it didn't increase the budget by more than 10%. Voice vote affirmative.

Officers present were sworn in.

Sybil Jenisch made a motion we adjourn and James Blake seconded.
Voted affirmative at 10:45 P.M..

Respectfully Submitted,
James S. Hills Grove, Town Clerk

PITTSFIELD SCHOOL DISTRICT

Pittsfield, N.H.

March 1980

On March 11, 1980, the qualified voters of the Pittsfield School District were notified to meet at the Town Hall to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose two members of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To choose three Auditors for the ensuing year.

Town Moderator, Leo Fraser, read the warrant and the certification of posting. The polls were open from 10 AM to 6 PM. There were 488 ballots cast and the results were as follows:

MODERATOR: Henry F. Stapleton 424 votes

CLERK: Roberta J. Maxfield 446 votes

TREASURER: Elaine A. Emerson 405 votes

SCHOOL BOARD MEMBERS: John W. Barto 348 votes
Dolores A. Francis 330 votes

AUDITORS: Arnold L. Wells 32 write-in votes
Frances A. Marston 20 write-in votes
Louis J. Houle III write-in votes

March 20, 1980

On March 20, 1980, the Annual School District Meeting was held at the Greenleaf Auditorium at 8 PM. Moderator, Henry F. Stapleton, opened the meeting by calling upon Rev. Arthur Bucknam for the invocation. Moderator then read the warrant and the certification of posting.

Article #1.

"I move the salaries of School District Officers be approved as follows: Moderator \$30.00; Clerk \$30.00; Chairperson of School Board \$250.00; School Board Members \$200.00 each; Treasurer \$400.00; Auditors \$20.00 each; and Truant Officer \$100.00." John Genest made the motion, seconded by Patricia Fraser. Vote affirmative.

Article #2.

"I move that the reports of Agents, Auditors, Committees, and Officers chosen be accepted as printed in the annual report." Dolores Francis made the motion, seconded by John Genest. Vote affirmative.

Article #3.

"I move that the District raise and appropriate \$1,159,036.50 for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district." Patricia Fraser made the motion, seconded by Dolores Francis.

Christine Teague: Have any items changed since the public budget hearing:

Patricia Fraser: There was much discussion at the public hearing regarding cutting teachers salaries. The Budget Committee voted after the public hearing to allow the School Board to negotiate the teachers salaries to their satisfaction as long as the total budget figure did not change. Vote affirmative.

Article #4.

"I move that the District authorize the School Board to made application for and receive in the name of the district such advances, grants-in-aid, or other funds for the educational purposes as may now or hereinafter be forthcoming from the United States Government, the State of New Hampshire, or any Federal or State Agency." John Barto made the motion, seconded, by Robert Winchester. Vote affirmative.

Article #5.

Floyd Carson: What is the tuition rate for 1980-81?

Damon Russell: We can't firm up a specific rate until after the budget has been voted. We advise the towns involved with tuition students to estimate a 10% increase in their budgets.

Floyd Carson: What is the tuition rate this year?

Damon Russell: This year the rates were \$1468.00 at the High School and \$1407.00 at the Elementary Schools.

Floyd Carson: The State average is \$1854.00 and Alton is \$1600.00 this year -- why is ours so much lower?

Damon Russell: Many factors are involved in figuring the tuition costs, but basically it is figured on the per pupil cost per school with salaries being the biggest factor.

Richard Anthony: What is going to happen to our federal funded programs if the money is cut by the President?

Damon Russell: The programs will have to be discontinued in those cases where they are entirely funded by federal funds.

Robert Winchester moved we adjourn and Fred Hast seconded. Voted in the affirmative at 8:18 PM. Officers were sworn in.

Respectfully submitted,

Roberta J. Maxfield, Clerk
Pittsfield School District

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and citizens of the Pittsfield School District, I respectfully submit this 1981 report as your Superintendent of Schools.

This has been a transition year for the Pittsfield School District in two respects. The decision to form Supervisory Administrative Unit #51 for the districts of Alton, Barnstead, and Pittsfield, and the Board's subsequent decision to name Union #49 Assistant Superintendent F. Andre Paquette, Superintendent-Elect has enhanced the transition process at the central office. Mr. Paquette and I have jointly agreed to re-structure our working relationship with the Pittsfield School Board in order to increase his responsibilities with the Pittsfield Board and decrease them with the Governor Wentworth Regional Board. This should ensure a smooth administrative transition for July 1, 1981.

At the same time High School Principal Steve Fortado has continued in his position, albeit under a very heavy workload as an Assistant Principal was not authorized for the current year: another request is being made for the position of Assistant Principal for the coming year. The Superintendent of Schools supports this request. Elementary Principal Sherwood Fluery is in his first year with Pittsfield. When we consider the workload for a new principal, expanded by the increasing workload in the area of special education, we can understand that Mr. Fluery has undertaken an enormous assignment. To date he has excelled in carrying out his duties.

It becomes increasingly clear that the Pittsfield School District must address itself to the question of facilities for the future. The two elementary school buildings are inadequate for the first six grades, they are inefficient to operate, contribute to significant losses of staff time between the three locations, add to the cost of transportation in order to provide hot lunch for the children and require much more supervision time. At the High School level, we are short of space in order to offer more courses to the high school and junior high school students. There remain some health and safety hazards in the industrial arts building which should be corrected. I have recommended to the School Board that a comprehensive facilities study be initiated.

Mr. Fortado and Mr. Fluery are doing an excellent job in dealing with the issues and problems faced by the district. The difficulties associated with the administration of public schools are not generally understood by the public. You should know that I am pleased to have been able to work with Mr. Fortado and Mr. Fluery albeit in a supportive and secondary role.

I would like to express my sincere thanks to the Pittsfield School Board Members for their support and understanding during this difficult transition year. They are indeed dedicated public servants. I extend best wishes to F. Andre Paquette, my good friend and colleague, in his future efforts as Superintendent of S.A.U. #51.

Respectfully submitted,
Elton S. Knowles
Superintendent of Schools

TENTATIVE WARRANT
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Pittsfield
qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District
on the tenth day of March, 1981, at 10:00 o'clock in the forenoon
to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose one member of the School Board for the ensuing
three years.
4. To choose a Treasurer for the ensuing year.
5. To choose three Auditors for the ensuing year.

TENTATIVE WARRANT
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Pittsfield qualified to vote in district affairs:

You are hereby notified to meet at the Greenleaf Auditorium in said District on the Nineteenth day of March 1981, at 8:00 o'clock in the evening to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the District.
2. To hear the reports of Agents, Auditors, Committees, or Officers chosen and to pass any vote relating thereto.
3. To see what sum of money the District will vote to raise and appropriate for the support of schools, for salaries of school district officers and agents and for the payment of statutory obligations of the District.
4. To see if the district will authorize the School Board to make application for and receive in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereinafter be forthcoming from the United States Government, the State of New Hampshire, or any federal or state agency.
5. To transact any other business which may legally come before this meeting.

REPORT OF THE HIGH SCHOOL PRINCIPAL

To the Members of the School Board, the Superintendent of Schools, and the Citizens of Pittsfield, I respectfully submit my third annual report as Principal of Pittsfield High School.

The academic year began on September 3rd with 436 students enrolled in grades 7 through 12. This represents an increase of 3 students over last year. We enrolled 303 students from Pittsfield, 127 from Barnstead and 6 from Epsom.

Six teachers have joined our staff. They are Mrs. Constance Boehm, Science; Mr. Kurt Boehm, 7th and 8th grade Math; Mr. David Lewis, Industrial Arts; Mr. William Ranauro, Social Studies; and Mrs. Melinda Westergren, English.

In December the New England Association of Schools and Colleges reaccredited Pittsfield High School for two years. Given the problems of lack of spece, limited staff, and gross deficiencies of the building cited in the Accreditation Report, I am very pleased with our accreditation. Copies of the Accreditation Report are available through the Carpenter Library or may be picked up at the high school. I hope many citizens will read this important analysis of the educational program at our high school.

1980-81 marks the first year of our course levelization wherein we identified courses according to their level of difficulty. Level 3 courses are the more difficult, Level 2 less difficult and Level 1 for courses in our special education program. I am pleased the way the program is working.

Some minor building repairs and renovations were completed. The electrical system in the woodworking labratory was repaired to comply with minimum standards. Interior vestibules were created at the office and cafeteria entrances by the Building Trades students to reduce heat loss. These students also built and installed insulated panels for use on our cafeteria windows during the winter months. An automatic set-back system has been installed to regulate the building thermostats at night and on non-school days. New lighting has been added to the Art Room and Building Trades room. With the help of C.E.T.A. paid summer workers we painted several classrooms and one corridor.

I appreciate the support we have received from the School Board, staff, students and people of Pittsfield and look forward to another successful year.

Respectfully submitted,

Stephen M. Fortado
Principal

REPORT OF THE ELEMENTARY PRINCIPAL

To the members of the School Board, Superintendent of Schools, and the citizens of Pittsfield, I respectfully submit my first annual report as Elementary Principal of Pittsfield Schools.

The academic year began on September 3rd with a total of 251 students reported in grades 1 through 6. Enrollment decreased from 267 in 1979 to the present figure.

Two new teachers and an aide joined our staff. They are Mrs. Marjorie Stapleton, grade 2; Mrs. Kathy Bourasso, grade 6; and Mrs. Diane Robinson, aide - grade 1.

The elementary program is continuing to provide an excellent education to the children in Pittsfield. This is due to the strong staff, a supportive School Board, a consistent and well managed reading program, an active P.T.O., Title I instruction, parental support, and high quality special education programs.

An effort has been made to insure the safety of all the school children in Pittsfield by having a complete inspection of the school buildings by the State Fire Marshal's Office. The recommendations of this report will be carried out where possible. Most of the recommendations deal with the physical condition of the buildings. The Grammar School in particular needs a great deal of attention.

I would like to acknowledge the hard work and dedication that Sheila Fries and Brenda Abbott have exhibited in developing our Community Education Program. This program's purpose is to strengthen the partnership among school, home, and community. Some of the projects underway by parent volunteers are: a library inventory, classroom aides, physical education classes, and media coverage for school and community events.

I would like to express my sincere thanks to the members of the School Board, Superintendent Knowles, Assistant Superintendent Paquette, members of the faculty, staff, P.T.O., students and the people of Pittsfield for their support in my first year as elementary principal.

Respectfully submitted,

Sherwood W. Fluery
Elementary Principal

REPORT OF DRAKE FIELD

This year's Drake Field recreation program was directed by Larry Robbins, Recreation Director, and Jackie Thistle, the park aide through CETA. Before the end of school, a letter of introduction was distributed to all school age children in grades 1-8. The letter listed the park hours, activities, and general rules of the playground. Included with the cover letter was a registration form for participation in the summer recreation program. All those who used park equipment were required to return the registration form before using any park equipment.

The recreation program began on June 30th and closed on August 22nd. The program ran for an eight (8) week period with usual hours of operating being 9-12 noon and 1-4 p.m. The playground at times did open earlier to make-up hours lost to early closing because of rain. The park was only closed completely one day due to a steady downpour. Drake Field averaged 35-40 kids a day with the hours of 1-3 p.m. the slowest because of the heat and the town pool located at the other end of town.

Normally the playground takes a couple of field trips. The annual trip to Fenway Park was unable to become a reality because of the cost which in the past has been covered by the local businessmen. In the past local businesses donated money to buy the tickets and supply the transportation, but economic reasons figured greatly in not seeing the Red Sox.

The Hampton Beach trip was planned for August 11th. That day happened to be the only day we were rained out. Everyone was looking forward to going to Canobie Lake Park, but unfortunately no transportation (school buses) had passed inspection by our August 18th date. This was not the year for field trips!

Those disappointments were overcome by our Field Day held on August 21st and Awards Day on August 22nd. Field Day featured a balloon toss, a softball throw, a huge Red vs. Yellow balloon fight and ice cream sundaes. Awards Day ended this year's program with certificates given out to the winners of tournaments held throughout the summer. The certificates were purchased from The Creamery in Pittsfield.

The recreation program had two (2) volunteers this year - Vernon Kelly and Joey Miner. Mr. Miner came down and played flag-football with the kids. Mr. Kelly, who works for the Pittsfield Rehabilitation Center, gave free tennis lessons for 2 weeks at Drake Field's tennis courts.

The summer recreation program at Drake Field proved to be very rewarding. The kids were fun to be with. There was a steady flow of kids using the park everyday. The summer was incident free except the usual cuts and scrapes. Jackie Thistle did her job very well and was a pleasure to work with. I would hope that next year's program will be even better.

Sincerely,

Lawrence E. Robbins
Recreation Director, Drake Field
